

## EFFICACY OF SUPPLEMENTAL VIDEO IN DISTANCE LEARNING

### Pre-Test

Thank you for taking the time to complete this questionnaire. Please note that there will be an additional survey of similar length at the end of your exam. If you did not view the video lectures for this exam, please use the “skip” button at the bottom of the page to advance without completing the questionnaire.

Place a check mark in one of the five available cells indicating your level of agreement with the corresponding statement.

Statement	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
The addition of video lectures enriched my learning experience.					
<b>As Study Aids</b>					
The video lectures helped me understand the material I'm being tested on today.					
I feel more confident taking this exam after watching the video lectures.					
The video lectures provided clarity where the textbook did not.					
The video lectures made me consider new questions or perspectives.					
The video lectures did not provide additional understanding of the material.					
<b>Personal Experience</b>					
The video lectures were enjoyable or entertaining to watch.					
I felt more engaged with the class after watching the videos.					
The video lectures were difficult to follow.					
<b>Quality Assurance</b>					
I could clearly hear the instructor's voice during the videos.					
I could clearly see the instructor or the instructor's presentation during the videos.					
The quality of the video made it hard for me to focus on what was being said.
